10 am: Meeting point in Neri Caffè at 10 am, enjoy a coffee and get ready to start the walk to San Luca. We will take a short bus ride to Meloncello stop.

A trip to the Church of San Luca should be top of everyone's Bologna itinerary. The five miles there and back make for a long walk that is also one of the world's great mini-pilgrimages. It's an uplifting way to spend a morning. And don't worry about the sun or the rain: you will be under cover every step of the way.

1 pm: Lunch in the park. Fun topics and conversation themes to discuss during our lunch break. Bring a sandwich and a drink!! Games and plays to follow.

2.30pm: Visit to the Mambo Art Museum **or Lego expo**

The history of MAMbo is linked to the Galleria d'Arte Moderna di Bologna: an Institution from which the existing museum came to life and on which rest the research's foundation as well as the project and the cultural debate, that are still being carried out.

Lego: It is called I Love Lego and it is the exhibition of the most famous bricks in the world, through the "character hunt" the visitor is invited to look for famous and non-famous characters, hidden inside the installations: from Harry Potter to Dart Vader, several surprise guests.

Debates/ points of view/ experiences and expectations to share

4.00 pm: Join us for a drink together to comment the day in one of the cocktail bars in Bologna

Thanks to its large university population, Bologna has a lot to offer. The bars in the centre quickly fills up with locals and students during the aperitivo time. Aperitivo plays an important role for both young and old and is without a doubt one of the most fun food and drink experiences you can have in Italy. Just sit back by the table of a traditional trattoria and have a glass of wine and some tasty food that Bologna is famous for while chatting with your English friends.

4.30 pm – Farewell to the next appointment of Fun Full Immersion
